

Pertinent Paragraphs

All we need is an objective. Then we rally around that and we always reach our objective.

Today our objective in Lemon Grove is the Community Center. It is very easy to rally around that if we really have a community spirit.

The objection is not "Let George Do It." the objection is "Why doesn't George do anything?"

We have in the past used the word "parasites" when referring to outsiders. Have we got parasites in our own midst in Lemon Grove?

We are convinced that many of our Business and Professional men and women could and would do more for the Community if they had the loyal support of the Community.

If you patronize a parasite you are a parasite yourself. Because your support of those who are helping to build the community would enable them to help the community.

Do not criticize the other fellow till you get his side of the story. By patronizing those who do nothing to support Lemon Grove institutions, such as churches, schools, and associations, you are sabotaging yourself.

Community spirit is all we need. It will provide everything. By patronizing those who patronize Lemon Grove, you are enabling them to spend more money towards building a better Lemon Grove Community.

By the way, we should not concentrate solely on the Community Center. We want to hear from you about the Community Center, but also about other needed objectives. Letters to the editor are your greatest power to build and maintain a free and progressive community.

Thousand Youths Entered Easter Bunny Contest

Approximately 400 children and a few adults were present Saturday at the Lemon Grove School Grounds when prizes were awarded in the Easter Bunny Contest. School Superintendent Byron L. Netzel, Judge Ratelle, Mr. Major and J. A. Van Gilse were among the adults who were in charge of the contest.

There were about 1000 names entered, so many children were not present who had registered. First prize, a pair of blue satin rabbits given by E. A. Mouillesseaux of the Broadway Auto Supply, were won by three year old Leonard Taylor of Central Avenue. Wally Rolniak received the gift presented by the Firestone Home Supply Company; Gregory Smith was awarded the gift furnished by Louy and Rod's

July 10 is Tentative Date Set for Annual Picnic

Arrangements for Lemon Grove's Annual Picnic are now being made by the special committee appointed for this purpose by the Lemon Grove Business Men's Association. Mr. C. F. Baxter is chairman of the committee.

All organizations in Lemon Grove are asked to co-operate and form a general committee for the Lemon Grove Picnic.

The date has been set tentatively for the second Sunday in July, as it appears that suitable grounds for the picnic will be available on that day.

Glen Baumgartner received a gift from Brownie's Department Store; Carol Ann Knight was given the Lindley's Drug Store gift; Helen McCormac won the gift the Avalon Cafe donated; Linda Johanson won a gift the Monterey Snack Shop furnished; Judy Bates won another rabbit contributed by the Broadway Auto Supply; Spencer Safely received the award from Mr. Boese's Variety Store; LuAnne Hines received the gift from the Cadillac Jones Specialty Foods Shop (formerly O'Connors); Lucille Rella won the gift from the Lemon Grove Shopping Center.

Michael McDade was awarded a gift from the Lemon Grove Hardware Company; Charlotte Koskow won another live bunny given by the Broadway Auto Supply Company; Gloria Jean Renow received the gift donated by the Texaco Service Station. Passes given by the Grove Theatre were awarded to Alice Marie Berlin, Jerry Lynn Taylor, Connie Shafer, Roscoe Lawler, Florence Porter, Morris Nunez and Shirley Lohf.

The gifts donated by local business men made a number of children very happy indeed. Appreciation was extended to Miss Frances Read, seventh grade teacher at the Lemon Grove school, for the posters and name boxes which she and her students prepared; also to the Grove Studio which furnished the handbills for the affair. Mr. E. A. Mouillesseaux of Mt. Vernon Avenue, a salesman for the Broadway Auto Supply Company originated the idea and gave very generously of his rare rabbits.

NEW JEWELRY STORE TO OPEN MONDAY

Mr. Jerome Walters of Imperial Avenue has been busy the past few weeks buying stock for his new jewelry store in the new building next to the new post office. Now the date is set for April 25, when he will open a beautiful new business well stocked with every item the modern jewelry store carries.

Mr. Walters will do watch and jewelry repairing and has purchased a Watch Master for regulating watches. He is well qualified to do such work, having graduated from Bradley Horological Institute in Peoria twelve years ago. Since that time he has been in the jewelry business except for three and a half years serving in Africa, Corsica, and Italy.

Mr. Walters is married and has a little daughter three and a half years old. They are residents of Lemon Grove and have been here for some time.

Record Crowd Attended Easter Services

Several records were broken Easter Sunday at the First Congregational Church in Lemon Grove. This church has been growing very rapidly since Rev. Dan Apra and his wife arrived last August. Sunday they had the largest Sunday School attendance ever recorded, 333 persons. A total of 660 attended the two morning services, 180 of these being small children and teachers. There was also a record offering received.

The choir rendered a fifteen minute song service of beautiful Easter music, under the leadership of DeWitt Mytinger, with Martha Thomas at the organ.

The pastor chose for his sermon topic "Experiencing Easter" and stressed the fact that one must not just know the facts of the Easter story; he must feel them and experience their true meaning in his own life.

Ten new members were received, bringing to 45 the number becoming members since Rev. Dan Apra's ministry began. All but one of them were at the Easter Services and have been active members.

Those joining Sunday were Mr. and Mrs. George Baumgartner, Mr. and Mrs. Wally Toomire, Mr.

Reveals Telephone Demand Grew From 650 to 8,500

Past and future growth of Lemon Grove were reviewed Tuesday morning at the breakfast meeting of the Lemon Grove Business Men's Association when Mr. C. L. Adams of the Telephone Company gave facts and figures on the telephone situation in Lemon Grove.

Mr. Adams pointed out that the unprecedented growth of the Lemon Grove district, combined with wartime shortages, caused the biggest problem any organization could face.

The Homelands circuit had 650 connections in 1930 and it still had 650 connections in 1935. Then the influx into the district started and continued steadily and is still continuing at the same rate. Today there are 6500 telephone connections and 2000 requests for telephones. The company is planning for over 10,000 connections by 1952.

The Business Men wanted to know how soon the supply of telephones could catch up with the demand for telephones.

Mr. Adams explained the difficulties of securing materials and showed what is now being done in laying new main cables for the different sections of Lemon Grove. He could not definitely say when connections could be

and Mrs. Tom Best, Mr. A. C. Lee, Mrs. Mildred Kish, Mrs. Leo Cass and Miss Margaret Butler.

Rev. Apra is already looking forward to conducting three services next Easter.

Natural Gas Will Be More Than Double This Year

The announcement by Mr. D. Turner of the San Diego Gas & Electric Company, that the available natural gas supply for this district will be more than double what it was last year, is good news for Lemon Grove. Natural gas will be available for all purposes and this, together with the emergency supply of Colorado water, ensures the rapid development of our district, where the proper foundation has been laid for the most extensive growth of business and residential sections.

The announcement was made at the Lions Club supper meeting last Thursday night when Mr. Turner was showing the film "Westward Flow." The film is showing the building of the big 30 inch natural gas pipe line from Texas to California. It is from this pipe line that we will receive the new supply of gas. The San Diego Gas & Electric Company was able to contract for a large share of the Texas gas and a new 85 mile pipe line is now under construction to connect with the big Texas pipe line.

Mr. Turner reviewed the difficulties of last winter and he assured the audience that emergency storage and production capacities are being developed this summer to insure all consumers a plentiful supply of gas for all future emergencies.

made as requested, as emergencies are always arising, such as the earthquake in Seattle.

He pointed out that the first duty of the Company was to maintain services already installed and that material for extensions is ordered as soon as new sub-divisions are started. He admitted that supplies are now coming through much faster than new orders put in, but could not definitely say how many months it would take to catch up with old requests for telephones.

Drama Section Praised For Initial Presentation

Those of us who witnessed the
first production of the newly
formed Drama Section of the
Forward Club were treated to a
performance above the usual
amateur attempt.

The play, "Locked Windows"
contained all the required ele-
ments of a dramatic vehicle.
Tragedy, humor and suspense,
with a dialogue capable of awak-
ening in the audience sympathy
and laughter.

The balance of characters was
excellent. The practical Mariah
played by Mrs. Herder against
frustrated Aunt Heloise other-
wise known as Mrs. Vernier —
clinging to her past romance,
yet the only one who understood
the artistic Timothy, a very boy-
ish Tod Balantine.

Beverly Hentigan as the adol-
escent provided the necessary
laughs.

The dream characters seen by
the audience through the locked
windows were ably played by
Helen Baxter, Em Krause, Pat
Hillel and little Georgianne Hil-
lex.

The executive staff consisting
of Mrs. Read, Mrs. O'Connor and
Mr. Baxter can be congratulated
upon the results of their efforts.
We will long remember the beau-
tifully painted symbolic locked
windows — so blossom filled in

Parents are cordially invited to visit the classrooms, meet the teachers and see displays of the work done by the children. Parents are also invited to visit the classrooms any time during Public Schools Week and observe the regular classrooms any time during Public Schools Week and observe the regular classroom work as it is carried on from day to day. The school staff anticipates many visitors during Public Schools Week and requests that parents do not attempt to have conferences with teachers during this time. This request is made only in order that the teacher will have some time to spend with each parent during the open house program.

Churches or civic organizations wishing to have a special observance of Public Schools Week in their meetings may be able to arrange for student speakers or musical numbers by calling Mr. S. K. Solleder, principal of the Lemon Grove School. As the time is short arrangements should be made as soon as possible.

Coincident with the opening of Public Schools Week, a dedication ceremony and open house will be held at the new Vista La Mesa School on Sunday April 24, from 2:30 p.m. until 4:00 p.m. Mr. Burton C. Tiffany, Curriculum Coordinator of the San Diego County Schools will give the dedicatory address. Other items on the program will be the presentation of school trustees and civic leaders, and the faculty of the Vista La Mesa School; invocation by Rev. Russel Hensley of the Vista La Mesa Christian Church; presentation of colors by the Vista La Mesa Cub Scout Pack; selections played by the Lemon Grove School District Band under the direction of Mr. Paul Cheatham.

Following the dedication ceremony classrooms will be open for inspection and classroom teachers will be on hand to greet parents. A committee of the newly organized Vista La Mesa Parent-Teachers Association will serve light refreshments and the Girl Scouts of Troop 79, under the direction of Mrs. Lester McIntosh will serve as guides.

A cordial invitation is extended to parents and friends of the Vista La Mesa School area, as well as those in the entire school district, to take part in the dedication ceremony and visit the school which has won favorable comment from parents and school people throughout the entire county.

SUNDAY GUEST OF COUSINS

Mrs. Florence Billings of East San Diego was a Sunday guest of her cousins, the L. F. Herder family of Central Avenue.

MRS. MILLER'S SIXTH GRADE NEWS

Mrs. Miller's 6th grade class has made an exhibit of things from Latin America. The articles are chiefly from Costa Rica and Guatemala. Carol Dennstedt furnished most of the things on exhibit. Some of the more interesting things on display are: many different kinds of women's purses, a small burro made of real burro hide, a fancy shirt with all kinds of designs.

The boys from this room that will go to the sectional track meet at Grossmont are: George Marker, Bob Margetts, Ronald Brady and Jimmy Temples. We wish these boys the best of luck against schools from La Mesa, El Cajon, Lakeside and Santee.

The boys and girls of this class are doing different sorts of dances, mostly square dances. Some of the dances that are favorites of the class are "Buffalo Boy," "Polka," "Virginia Reel" and the "Texas Star."

During the muddy time we had after the last rain Les McIntosh and Roy Maxted found some wet adobe and commenced making small houses like those in which the Pueblo Indians dwelled. They were made outside of the room. When they were finished and the houses were dry they were set in a table in the room.

JR. RED CROSS NEWS

Along with the work done by the Junior Red Cross was the project of making tray favors and decorations for the invalids at the Naval Hospital and the Children's Convalescent Hospital. Grades 1 through 5 made clever eggshell heads and figures to brighten up the trays on Easter morning. There was an Easter party held in one of the first grade rooms and it was suggested by some of the mothers that several dozen cup-cakes and cookies that were left be given to the Children's Home or to some project under the Red Cross such as the Blood Bank.

Surprise Birthday Party

Mrs. A. P. Schnell of Golden Avenue arranged a surprise party Saturday evening honoring her husband's birthday. Guests were Mr. and Mrs. C. K. Mitchell and Dr. and Mrs. A. C. Holland of San Diego; Mr. and Mrs. C. B. Summers of El Cajon, Mr. and Mrs. Ted Haaf, Mr. and Mrs. W. B. Lambeth and Mr. and Mrs. A. P. Schnell. They all enjoyed a happy evening and wished Mr. Schnell many more happy birthdays.
